LIGHTAT MOTION

NOTTURNA
NIGHTTIME

DESIGN: R&D

MISSION

Realizzare apparecchi e sistemi di illuminazione unici, innovativi e di alta qualità perfettamente rispondenti alle esigenze di grandi progetti in tutto il mondo.

To create unique, innovative, and high-quality lighting fixtures and systems that perfectly meet the requirements of large-scale projects around the world.

MATRIX UNDERPASS • CROATIA

ISO 9001 - ISO 14001 - ISO 45001

VISION

Vogliamo essere un punto di riferimento per i progettisti di tutto il mondo trasformando i loro sogni di luce in realtà.

We want to be a point of reference for designers throughout the world transforming their dreams of light into reality.
